NEW APPOINTMENT - REGULATORY SERVICES TEAM

Argint International Kft. is pleased to announce the expansion of our Regulatory Services team. Dr Eva Halászki joins Argint as Director of Clinical and Regulatory Compliance. Argint International are now able to offer full functional support for all regulatory and ethics submissions in CEE/SEE.

Dr Halászki has worked in the pharmaceutical industry for more than 11 years and previously worked for a 'top 5' global CRO, supervising all regulatory and ethics submissions made on behalf of clients in the CEE/SEE region (Hungary, Romania, Czech Republic, Slovakia, Slovenia, Serbia, Croatia and Bulgaria). Dr Halászki was responsible for ensuring submissions complied with all regulatory laws and guidelines in these territories and drug label translations were in line with local GMP requirements. Dr Halászki was also personally responsible for the preparation of all submissions to the Hungarian and Romanian Competent Authorities and Central Ethics Committees. Under the recent new national legislation in Hungary and Romania, Dr Halászki completed a total of 16 initial submissions to the Hungarian CA and 8 initial submissions to the Romanian CA. All submissions were approved without issues being raised by the authorities. Dr Halászki's record in obtaining approvals in these territories is remarkable and is evidence of the high quality of her work.

Dr Halászki will lead Argint's existing Regulatory Services/Study Start-up team, supervising submissions for clinical trials in the following territories:

-  Czech Republic
-  Hungary
-  Romania
-  Serbia

-  Slovakia
-  Slovenia
-  Croatia
-  Bulgaria

We would welcome the opportunity to discuss how we can help facilitate a quick and efficient start-up to your projects.

Argint International provides Clinical Research and Development Services in Central and South Eastern Europe. In addition to our Regulatory and Start-up Services we also provide the following services:

-  Monitoring
-  Project Management
-  Contract CRAs
-  Consultancy
